Colonel Patrick D. Chisolm, Jr.
Chief, Policy and Plans Division
Office of the Chief of Public Affairs
Department of the Army
Washington, D.C. 20310

Dear Colonel Chisolm:

Forwarded herewith is the videotape of the Corporation for Public Broadcasting program on "The Constitution - That Delicate Balance," Seminar 1 of 4 entitled "National Security and The Freedom of the Press," requested in your letter of 4 August 1983. I regret the delay in providing the tape, but legal counsel considered it essential to determine the copyright implications of the requested loan. They have advised that there is no problem lending this commercially available tape to you for Mr. Catto's review, but that copying the tape would be a violation of copyright law. Please return the tape within two weeks.

It is a pleasure to provide this material for review. I hope there will be an opportunity to present to DoD audiences the program on unauthorized disclosures which was presented to Intelligence Community public affairs officers on 3 August.

Sincerely,

Chairman
